## MAHARASHTRA

**PRESS RELEASE**  
**October 5, 2009**  
**VIDHANSABHA ELECTIONS**  
**District: Mumbai Suburb**

### About National Election Watch

The National Election Watch (NEW) is a nationwide campaign comprising of more than 1200 NGO and other citizen led organizations working on electoral reforms, improving democracy and governance in India.

National Election Watch is active in almost all states of India and has done election watch for all states and Lok Sabha elections since ADR, along with couple other organizations, won the PIL in Supreme Court in 2002 to making disclosure of educational, financial and criminal background of electoral candidates mandatory.

Lot of people around the country are questioning what our elected representatives do. Do you know what the responsibilities of our elected representatives are?

Although a few responsibilities of the elected representatives are defined, the fact is that their responsibilities are very fluid. In fact, citizens and voters of their constituency can and should approach them for any problem that affects general public – be it related to education, health, transport, or any issue affecting general public.

The purpose of this site is several fold:

- Give information on the elected representatives – everything that they give in their affidavits.
- Give information about a constituency – various human development index parameters.
- Give a chance to the general public to give comments on work done by their elected representatives.
- Rate various representatives based on peoples' comments and improvement shown in their constituency during their tenure, etc.
- Feed this feedback back to your elected representative, so that he has a chance to work on the feedback received from his constituency.

### About ADR

Association for Democratic Reforms (ADR) is a Non-Political, Non-Partisan and a Non-Governmental Organization whose PIL filed in Dec 1999 culminated in a Supreme Court order on Mar 13, 2003 requiring disclosure of criminal, financial and educational background of all contesting candidates. Since then ADR has done Election Watches in almost all State Assembly and Lok Sabha elections.

ADR continues to work towards strengthening democracy and governance in India by focusing on fair and transparent electoral and political processes. It is currently conducting election watch in all states going for assembly polls. You can learn more about ADR at: [www.adrindia.org](http://www.adrindia.org)
